

Technical Exhibition

in conjunction with the

24th European Mask and Lithography
Conference EMLC2008

January 21st – January 24th 2008
Dresden, Germany

<http://www.emlc2008.com>

The two-day **Technical Exhibition** will take place on Tuesday and Wednesday during the conference week. Presentation tables and pin boards will be available. There is booth space for about 30 exhibitors and space will be allocated according to the time when applications are received.

There are three different booth sizes and prices available:

<u>Booth size</u>	<u>Fee</u>
2 x 2 meters	€ 600
2 x 3 meters	€ 880
2 x 4 meters	€ 1.150

VAT not included in booth pricing

For exhibitors, who are not normally registered as a conference attendee, an additional fee of € 100,- is required. This fee covers all coffee and lunch breaks during the conference.

Payments can be made by bank draft only (no credit card payments will be accepted). Please make sure that the payment includes the bank transfer fee.

Please make payment to: UBC Microelectronics
